NOTICE: From the Parish Office

With all of the concern of not only the flu, but also the corona virus we wanted to offer some preventive measures that can be taken.

One of the most effective actions, that can be taken- is washing your hands more often, especially after touching your face. You should wash your hands, and in between your fingers, for at least 20 seconds, with soap. Water temperature doesn't matter.

Please remember to cough or sneeze into the crook of your elbow-if you prefer to use tissues, please promptly dispose of the tissue, and wash your hands afterward, for whichever method you choose.

During this season we ask that people with known symptoms of influenza refrain from attending Mass and other parish activities for the duration of their illness and up to 24 hours after the symptoms abate.

For your convenience we have hand sanitizer on the windowsills in the church, and the on the little table in the vestibule.

Outreach

Hotline Volunteers Needed A Wonderful Way to Show God's Merciful Love to those in distress can be found helping with our Outreach Hotline. Shenandoah County is our Community" - these are our neighbors. Some just need a helping hand to get back on their feet. Others will never regain self-reliance as they are too old or too sick to return to work. Still others are weak from temptations of the flesh or the world - but so are We. WE have our Faith and the Graces we have allowed by our "Yes", but they do not know, or perhaps their weakness, their poor choices, are our gifts, to open our hard hearts, to acknowledge our self-righteousness, to Love, in spite of ourselves and for Jesus. WE can help; YOU only need to say YES! Contact Karen at outreach@sjbwoodstock.org
