

Hi Kids,

I hope you, your parents, brothers and sisters are healthy and following all the suggested guidelines so you won't be infected by the coronavirus. Remember, although this virus is dangerous, we know that God is in control and He will protect us.

You probably know that the Governor has ordered classes be cancelled through the end the school year. Sister Laura is following his order and is cancelling our remaining CCD classes as well. She and I want to be sure that you don't miss any of the material we would have covered if we were meeting. Unfortunately, we won't be able to play our flyswatter game.

Sister Laura and I (along with your parents, I'm sure) want you to read the material we would have covered in class. Remember to use a sheet of paper to answer the questions in your book. The last time we met, we worked on chapter 12 but did not complete all of the lesson.

As a review, start on page 175, of the Our Life in Christ workbook. Like we often do in class, find the Scripture reading in your family's Bible. You may need to ask your parents to guide you to the reading. Next, study the lives of the saints shown on the next 2 pages. Continue reading the material on the following pages and again find the Scripture reading on 178. Review with your parents all the wonderful information about the Blessed Virgin Mary and the saints. Although we often say the Rosary in class, be sure to read the information that follows.

Please ask your parents for guidance as you complete the rest of the chapters in this same manner. I am sure they will enjoy helping you do some of the exercises in each lesson. And also show them the questions and exercises at the end of each chapter. They are a useful way of showing your parents how much you have learned, and I am sure you will be very proud of all you are learning.

I am so sorry that it may be awhile before we see each other at church. Remember to pray for the people who are ill and those who are caring for them and to ask God to protect your family and friends.

God bless you.

Love,
Mrs. Scott
