

Permission Form for Use of Young Person's Picture, Voice, Video and/or Full Name on a Saint John Bosco Website or Advertising Material

This letter is to both inform you and request permission for your child's picture, voice, video and/or full name to be published on the St John Bosco parish's website or advertising material.

Participant's images are used on the Internet to promote activities. However, there are potential dangers associated with posting personally identifiable information on a website because global access to the Internet means that the Parish cannot control who may view the website.

Accordingly, the Parish will not release any information without prior written consent from you as the parent or legal guardian. Please return this form to Sister Laura Nieves, Director of Religious Education to indicate if your child's image, voice, video, and/or full name may be used on the Internet or advertising material. This permission will be applicable to any use of full name, picture, voice, or video taken in the program year in which permission is given and will remain in effect until the full name, picture, video, or voice is removed from the website or until consent is withdrawn. As parent or legal guardian, you may withdraw your consent at any time by sending a written letter, along with a new form, to the Director of RE.

Thank you for your cooperation.
